

See Public Debate As Pact Is Published

Case Of Cold War Nerves Also Seen

Washington, Feb. 26—(AP)—A final round of controversy was at hand today over creation of a North Atlantic security treaty and a new case of cold war nerves for the world appeared.

Fresh waves of Communist propaganda followed over Europe. Speculation arose over possible Russian pressures on Finland and Norway. These added to tensions which may briefly sharpen the debate within the western countries over the security project itself.

Communist leaders in Western Europe are expected to intensify the purging of their followers and to try to implant in the minds of Western European people generally a fear of being overrun by the Red army if they line up their forces in the alliance.

State Dept. Bracing Itself
Meanwhile, the State department is bracing itself for the impact of public debate here at home when the treaty text is made public in about two weeks.

Secretary of State Acheson will meet with ambassadors of the other six nations again Monday or Tuesday, and hopes to wind up drafting work by the end of the week. After that the other governments will have to give their final approval or suggest last minute changes. Those governments are Canada, Britain, France, Italy, Belgium, the Netherlands and Luxembourg.

Both in this country and abroad arguments and potential opposition are building up. It is these which the negotiating governments must be prepared to meet as the time for full public discussion draws near. In this country indications reaching the State department are that major arguments will focus on two points: (1) the projected alliance may weaken the United Nations (whereas supporters say it will be strengthened), and (2) that the United States may be involving itself too deeply in European affairs.

Real Security Wanted
In Europe the argument takes different form. Reports reaching here indicate that people will be concerned almost exclusively with the question whether the treaty in fact offers them the real security they want against the danger of a Russian attack.

Because this is the great issue it fixes the line on which the communists are trying to fight out their opposition to the treaty, branded by Moscow as an aggressive move by the west against Russia.

On the one hand as diplomats see it, the communist arguments hold that the western powers strive to start a new war while Russia works only for peace and the people who want peace should therefore line up with her.

On the other hand, the communists are said to contend, that if trouble comes the powerful Soviet armies can overrun Western Europe speedily and the forces of the west will not be able to stop them.

Along with propaganda, the communists in Eastern and Western Europe alike have been purging their ranks down to a hard core of party faithful who could be counted on in a showdown. This has been going on for months, according to reports reaching the State department.

Several days ago, Thorez, the French communist leader, proclaimed the idea that if the time ever came when Soviet armies drove an enemy into France, French communists would welcome them. The same line was somewhat more strongly put in Italy today. Togliatti, the Italian communist chief, suggested that the Italian people should cooperate with such forces.

Diplomatic authorities here believe that this kind of talk by the communist leaders serves at least two purposes. It dramatizes the thought that Soviet armies might in fact fight on French and Italian soil some day. It also sets up a standard by which French and Italian communists can determine whether they would be communist to the bitter end of the showdown or whether their loyalties would belong first to France and Italy.

French Army Lessens Charges Against Reds

Paris, Feb. 26—(AP)—The French army changed its mind tonight and charged four alleged communist sympathizers with relatively minor offenses, after first accusing them of espionage punishable by death. The reduced charges were filed after the military court conferred with War Minister Renardier. They allege a threat to the security of the state, punishable by imprisonment of one to five years.

The arrests came amid a buzz of reports that the government was about to crack down on the French communist party, and that the Kremlin was using French communists to help it fight the proposed North Atlantic defense alliance.

An official source said yesterday the government has started legal proceedings against the French communist party's politburo on charges of inciting the army to revolt during the French coal mine strike last fall.

Police named the four accused of espionage as Pierre Juin, editor-in-chief of the communist picture magazine "Regards," Jacques Friendland, a member of its staff; Robert Penillat, business manager of the pro-communist resistance movement weekly organ, and Bertrand Jou-

3 Crewmen Hurt As Train Derails; Passengers Safe

Nianqua, Mo., Feb. 26—(AP)—The Frisco's west bound Will Rogers passenger train derailed today, injuring three crewmen, but all 57 passengers were unhurt.

The locomotive and six baggage cars left the track a mile west of here after an explosion in the engine at 4:20 a.m. (CST). Two pullman and three chair cars remained upright on the track.

Most seriously injured was Frank C. Fulton, 64, engineer of Newburg, Mo. His right arm was torn off between the elbow and shoulder. His fireman, Louis E. Bressawitz, 51, Bolivar, Mo., suffered burns and shock. B. H. Willoughby, an express messenger, had only minor injuries.

U.S. Intensifies Atomic Warfare Against Cancer

Washington, Feb. 26—(AP)—The government intensified the atomic war on cancer today.

It took the price tags off 50 or so radioscopes and told researchers to come and get them if they wanted.

It's part of a \$450,000 anti-cancer program launched a year ago by the Atomic Energy Commission. This project is aimed at developing use of radioactive substances in studies of the nature of cancer, its diagnosis and treatment.

Scientists say isotopes probably are the most important of all scientific tools for the study of cancer. It's their versatility. They not only may be used in research aimed at unraveling the mystery of what causes and produces cancer, but they also are being used in its treatment.

The AEC will give away to qualified cancer researchers all radioisotopes now being sold. There will be a handling charge for packaging, etc. Up to this time, only three were free—those of the elements iodine, phosphorus and sodium.

Say USSR Regards Truman Aid Plan As Global ERP

Lake Success, Feb. 26—(AP)—A source familiar with Soviet views said today the Russians regard President Truman's "bold new program" as just another way of spreading the Marshall plan around the world.

As such, this source added, the Russians can be expected to fight it vigorously in the United Nations economic and social council and wherever it comes up in the U. N. Semen K. Tsarapkin, Soviet delegate on the economic and social council, program yesterday after Willard L. Thorp, United States assistant secretary of state, started the ball rolling in the council with a speech laying down preliminary views.

Tsarapkin said his English was not good enough to permit him to understand all of Thorp's speech but that he expected to speak Monday in the developing debate. Thorp held out a tentative olive branch to the Soviet bloc when he told a news conference that he saw no reason why, in the field of technical cooperation, there cannot be contributions from all countries to a U. N. program, regardless of their economic structure.

Demos Defend 81st Congress As GOP Needles Leaders

Washington, Feb. 26—(AP)—Needled by Republicans who say the 81st congress may be known as a "do nothing" congress, Democratic leaders today invited a comparison with the record of the last session.

"It will show," House Democratic leader McCormack said, "that we are moving faster than the Republican-controlled 80th congress moved."

Concluding the second month of activity, McCormack said, the 81st congress has enacted eight laws, or twice as many as the record shows were enacted during the corresponding period in the 80th congress.

While none of the 1949 laws rate major status, neither did any of the months of 1947, the first session four enacted during the first two of the 80th congress.

The really important measures—foreign aid, labor legislation, social security revisions, rent controls, housing and so on—remain to be acted upon, by this congress. Some of them, however, are about to emerge from committee and start through the House and the Senate.

MARINES ARRIVE
San Diego, Calif., Feb. 26—(AP)—Approximately 1,000 marines arrived here today aboard the transport Renville—the second such arrival in the last 24 hours from Tsingtao, China. The transport Henrico arrived yesterday with her first 1,000.

The body of an adult man contains about five quarts of blood, according to the Encyclopedia Britannica.

Main Defendant In Bulgaria Ministers' Trial Confesses

Head Of Italy Reds Asserts They Should Help Russia If War Comes

Rome, Feb. 26—(AP)—Communist leader Palmiro Togliatti asserted today it would be Italians duty to help any Russian army which might pursue "an aggressor" onto the soil of Italy.

The statement, made in a published interview with the rightist newspaper Giornale Della Sera, did not say what form Togliatti believed the aid should take.

It came at a time when the country, alerted against possible disorders in communist-sponsored demonstrations scheduled for tomorrow, learned of a threatened cabinet crisis. Vice Premier Giuseppe Saragat submitted his resignation from the cabinet, and announced his anti-communist labor Socialist party would consider whether to continue to support the government.

He said he was withdrawing, because of a dispute in the party, not because of any trouble with Premier Alcide De Gasperi. The Premier indicated he would reject the resignation.

The Carabinieri, in sweeping raids, seized big stores of arms and munitions in the Naples area. They arrested 100 persons. The government charged that much of the contraband was owned by communists.

Togliatti, communist-trained leader of Italy's 2,000,000 communists, went farther in his statement today than last Tuesday's declaration by the French communist leader, Maurice Thorez.

Thorez said French communists would welcome Russian troops if they ever had to pursue an enemy into France. French and Italian communists have shared aims, particularly opposition to the European recovery program (Marshall plan). Together they number about 5,000,000.

The French chamber of deputies Thursday night formally censured the communist leadership in France as a result of Thorez' words. The government there also is reported to have started legal action against the 84-member French communist central committee.

Giornale Della Sera published Togliatti's views in question-answer form on the eve of scheduled nationwide demonstrations Sunday by the communist-led wartime partisan underground fighters.

Togliatti, replying to questions, said he knew of no plans by Russia to attack anybody, and continued: "As to the hypothesis that a Russian army would pursue on our soil an aggressor, I think in this case the Italian people would have the evident duty to aid in the most efficient way the Soviet army in order to give that aggressor the lesson he deserves."

World recognition that "The Italian people—at least the great majority—"

Chicago, Feb. 26—(AP)—A convict charge that he was "railroaded" to prison more than 18 years ago for a murder he did not commit will be aired in federal court April 29.

The convict is Raymond Boyd, 51, of Fairfield, Iowa, convicted of murder in Peoria, Ill., in 1930. He has served more than 18 years of a life sentence imposed by Circuit Judge E. Daily, now a member of the Illinois Supreme Court.

Federal Judge Michael L. Igoe has ordered Boyd brought to Chicago from his Joliet prison cell for the April 29 hearing.

Attorney Louis Kutner, representing Boyd, said he will subpoena Judge Daily and other principals in Henry Pratt, then state's attorney, Boyd's trial to testify at the hearing before Judge Igoe. Those include Verle Safford, Boyd's court-appointed counsel.

Stevenson Outlines Plan To Overhaul State Police Force

Springfield, Ill., Feb. 26—(AP)—Governor Stevenson today outlined new details of his plan to overhaul the Illinois Highway police force.

Applications for about 100 existing patrolman vacancies will be carefully examined starting Monday, March 7, he announced.

The first step will be a preliminary screening for all around fitness. This will be handled by the traffic division of the international association of chiefs of police.

Then come oral and written examinations and interviews with a temporary five-man "merit council" the governor expects to appoint soon. All this will take three days.

Next, applicants successful to this point will be sent to a police training school. Upon satisfactory completion of the course, they will be assigned to \$2,820 a year patrolman jobs in order of scholastic standing.

Only candidates weighing over 150 pounds, five feet nine inches to six feet four inches tall and otherwise meeting armed services physical requirements will be considered for positions.

Executive Vice President Ernest R. Breech also disclosed that cut sharply because "demand in the high-priced field has diminished materially."

He added, however, that the increased production of Ford cars, trucks and Mercurys would "more than offset" the cut in the Lincoln line.

Ford's decision not to cut prices despite General Motors' industry-stirring price slash Friday was announced by J. R. Davis, vice president in charge of sales and advertising.

"We are not reducing the prices of our cars," Davis said, "because of the current high level of wage and material costs."

Hopes To Prove He Was 'Railroaded' To Prison In 1931

Calls Himself 'Rotten Tool' Of Capitalism

Sofia, Bulgaria, Feb. 26—(AP) The Rev. Vassil Ziapkov, chief defendant in the spy trial of fifteen Protestant clergymen, pleaded guilty today and called himself "a rotten tool" of British-American capitalism.

He launched into a four-hour talk, tearful and sobbing.

Two other ministers who preceded him to the witness stand in the Sofia district court also had confessed and similarly denounced themselves as guilty of treason, espionage and illegal currency dealings.

Studied In U. S., Britain
Ziapkov said he had studied in both the United States and Britain and that this was the cause of his downfall.

"My foreign education abroad plucked me out of Bulgaria and transplanted me on foreign soil," he wept. "I repent strongly."

"I repent completely that we pastors became tools of the enemy who was bribing us with money and education, that we pastors became tools of an enemy who wanted to organize disorder and dissension in Bulgaria."

"We became tools of American capitalism, to that strong and dangerous enemy who was bribing us with money and education in order to profit out of us."

He told the court, as the others had done, that he and his co-defendants spied for the west in order to stop communism and that they realized now they were wrong about communism.

Ziapkov Congregationalist
Ziapkov is a 48-year-old Congregationalist who was a member of the Supreme Council of the United Evangelical churches of Bulgaria and the council's political representative.

The defendants who preceded him were also members of the Supreme Council. They were the Rev. Yanko Ivanov, 48, a Methodist, and the Rev. Nikola Naumov, 49, a Baptist.

The trial will reconvene Monday. Ziapkov, who was assigned to the 13th seat at the formal opening of the hearing yesterday, took the stand after Yvanov completed seven hours of testimony.

Ziapkov attacked the world council of churches, as did the others. He said it had been converted into an agency of American capitalism merely to fight communism. He obviously criticized the United Nations. He said he and the others had not cooperated with the Bulgarian government and had refused government efforts to cooperate for reconstruction of the country. He said he considered the Bulgarian government to be tolerant of religion.

"Something Rotten In Me"
"Why am I here on trial after 25 years of preaching?" he asked. "The answer is that there is really something rotten in me."

"What is that? The answer is that 25 years ago I received a scholarship from England and they plucked me from Bulgaria and planted me in a foreign soil."

"Now I understand that I have been in the service of a great enemy of my country. That enemy could not abide a flourishing Bulgaria alongside a Greece torn by disorder."

In his attack on the World Council of Churches, some of whose personnel have been named as "spy contacts," Ziapkov said:

"What the United Nations organization is in the political field, the World Council is in the spiritual field."

"He who dominates the United Nations dominates the world. He who dominates the world church movement is dominating the religious movement of the world."

"The United States and England are dominating in the United Nations. The American churches are dominating in the world church movement."

Hits U. S. Protestants
"Behind the American Protestant stands American capitalism, the greatest enemy of mankind. The leaders of the world church are agents of that capitalism."

Ziapkov thus expanded Naumov's statement on the stand yesterday: "Behind the American magnates. Behind the Baptist church stands Rockefeller."

Ziapkov said he and his co-defendants were "blind to the new."

"We were afraid of the success of communism and socialism," he said. He was a delegate to the Paris peace conference on Bulgaria in 1946. He claimed to have talked there with many British and American representatives, among them Bernard Baruch, noted American financier and advisor on governmental affairs.

Abraham Lincoln, Edgar Allan Poe, Kit Carson, Oliver Wendell Holmes, Lord Tennyson, and William Gladstone, all were born in 1809.

AMA Says Smoke, Soot In Air Not To Be Sneezed At

Chicago, Feb. 26—(AP)—Smoke and soot in city air is not to be sneezed at, although it frequently is, the American Municipal Association says.

Association officials said today they'd be happier, and the public would be better off, if there were more concern about airborne soot—such as developed in Jacksonville, Fla., recently among women caught in the stocking run epidemic there.

The runs were caused, experts said, by acid from soot particles which settled on nylon-sheathed calves and ankles.

Air pollution is vastly more serious than a hoarse menace, the association's American Municipal News said, recalling 20 deaths from acid-bearing smog last fall at Donora, Pa.

"Doctors have ample proof that dirt-thick air is a killer," the report said. "They know that the more smoke the air carries, the more people die of cancer of the lungs, tuberculosis and pneumonia, and the more suffer from colds and other respiratory diseases."

The association estimated that property damage and fuel waste caused by smoke in the United States every year amounts to \$500,000,000.

Churchill Says UN Can't Prevent War

Brussels, Belgium, Feb. 26—(AP)—Winston Churchill said tonight the United Nations is powerless to prevent a new war and called for a United Europe as a regional pillar of a truly effective world organization.

In a speech to the European movement international council, Churchill contemptuously referred to the U. N. as a "bawling cockpit" in danger of losing "the respect of those who were most ardent for its creation."

Regional organizations which would really function, he said, are the way to correct the U. N.'s defects.

Washington, Feb. 26—(AP)—Lieut. Gen. Raymond A. Wheeler, now chief of army engineers, will formally retire from active military service tomorrow.

He has been in the army 42 years. A native of Peoria, Ill., Gen. Wheeler will be succeeded as engineer chief by Major Gen. Lewis A. Pick.

Gen. Wheeler will remain in Washington as engineer adviser to the world bank.

Dutch Promise To Release Leaders And Free Indonesia

The Hague, The Netherlands, Feb. 26—(AP)—The Dutch government promised today to release captive leaders of the Indonesian republic at once and grant self-rule to all Indonesia, perhaps by mid-summer.

Politicians in Indonesia, however, gave the independence speedup plans a cold stare. They said the government's announcement was too vague to offer solid basis for hope that it meant an early end to the bloody guerrilla warfare which has existed in Indonesia since Dutch troops conquered the republic in December.

Misgivings were expressed in some circles here, too.

The official announcement here said the government has ordered the immediate release of President Soekarno, Premier Mohamed Hatta and other leaders of the Dutch-conquered republic of Indonesia.

It gave no hint of intention to restore them to office and recognize the republic as a separate state, as Soekarno and Hatta demand and the United Nations Security Council demanded in its resolution of Jan. 29.

The leaders were seized Dec. 19 when Dutch parachute troops cap-

Army Engineers' Chief To Retire

Washington, Feb. 26—(AP)—Lieut. Gen. Raymond A. Wheeler, now chief of army engineers, will formally retire from active military service tomorrow.

He has been in the army 42 years. A native of Peoria, Ill., Gen. Wheeler will be succeeded as engineer chief by Major Gen. Lewis A. Pick.

 Mrs. L. Vandevanter and nephew, Ronald Petri, are in Chicago, where Ronald was examined at the Hospital for Crippled Children.
 The basketball teams of both the grade and high schools, the coaches and the cheerleaders were entertained at a chili supper by the Future Homemakers of America.
 The Kum-Join-Us club will meet

Monday night with Mrs. Jesse Num. The March meeting of the WSSS will be held March 3 at 3 p. m. with Mrs. Arah Butcher.
 Mr. and Mrs. K. Lacey of Decatur visited here over the week end.
 Mr. and Mrs. Wilbur Boyd and son, James, of Monticello recently visited here.
 Mr. and Mrs. L. H. Yost spent the week end in Jefferson, Mo., with the Tracey Lancaster family.
 Mr. and Mrs. Isaac Bennett were business callers in Jacksonville Saturday.
 Mrs. Riggins and daughter, Linda, are visiting relatives in Chicago and Milwaukee.
 The physics class of the Bluffs high school toured the power plant here.
 Eldred Nortrup, a relief telegrapher for the Wabash Railroad is here visiting his parents and sister.
 Mr. and Mrs. Harold Deibert are visiting relatives in Taylorville.

REDS TO FILM FALL OF BERLIN

Prague—(P)—The fall of Berlin is to be filmed in Prague.
 The newspaper "Mlada Fronta" said that the Soviet film director Ciaurelli (first name not given) would arrive in Prague to shoot interiors and some exteriors of his new film which will be called "The Fall of Berlin."
 Soviet actors will take the leading roles but a number of Czech players will have roles as extras. A Czech actress was to be picked for the role of Eva Braun, Hitler's sweetheart.

French Apaches, 1949 Style

 Mrs. Eva Robinson was honoree at a birthday dinner given Wednesday evening at the home of Miss Gussie Giller. Other guests were Mrs. W. E. Strang of Godfrey, Mrs. Chris Daum and Mr. and Mrs. Richard Giller of this city.

SINGAPORE BUYS BRITISH

Singapore—(P)—The municipal commission voted 10 to 4 to buy \$16,000 worth of British cement even though it could have had a better price by purchasing the material from a Japanese firm.
 The decision drew a warning from one member that the policy of buying British goods exclusively could place Singapore in the hands of empire merchants who would then "dictate their own prices."
 A. P. Rajah, who voted against the purchase, said the commissioners had "no business to spend the money simply for the purpose of patriotism." He said a pre-war ruling of preference for Empire goods was made when there was a boycott of Japanese goods.

Next to water, wind is the greatest natural force in the process of erosion.

The bark of certain willow shrubs is the source of salicin, used in the treatment of rheumatism.

All remaining fur trimmed winter coats. Values to 119.50. Now only 39.95.

New Berlin Woman Has 92nd Birthday

New Berlin—A family gathering was held in New Berlin honoring the 92nd birthday of Mrs. Elizabeth Horn.

Mr. Horn is a native of Germany, having been born there on Feb. 14, 1857. She has resided most of her life in the New Berlin community. She was married in 1876 to John L. Horn, who died in 1941. There are seven children, George J., John F., Mrs. Mary Luken, Mrs. Clara Luken, Mrs. Elizabeth Kloppe, Miss Ann Horn of New Berlin and Mrs. Katherine Koppick of Emden.

Mrs. Horn is a member of St. John's Lutheran church and a charter member of the Ladies' Aid society.

E. R. P. Hasn't Touched Them

Since April, 1948, the European Recovery Program has contributed over \$800,000,000 to Italy, but most of it goes into industrial production. Meanwhile, thousands of Romans, like this family, live in caves and slums. These cave-dwellers are luckier than most, having this spot to themselves. (Photo by NEA-Acme staff correspondent Massimo Ascari.)

Officers Elected By Ashland Band

Ashland—Officers elected by the Ashland band are Gary Owens, president; Richard Hager, vice president; Anna Savage, secretary; Forrest Buhl, treasurer; Betty Yancy, librarian; and Jack Leahy, warden. Three tables of bridge were at play when the D.P.L. club held a meeting at the home of Miss Althea Stout. Mrs. Bertha Leahy won the prize for high score. Lorena Bailey, traveling, and Elsie Carls, consolation. Decorations were in keeping with the theme of Washington's birthday.

Present were Mrs. Mabel Leahy.

Woman's Club Is
Sponsoring Drive**

Ashland—a large bin was placed
in Brownback's Drug store Friday
by the local Junior Woman's club,
which is sponsoring a shoe drive for
overseas, which is part of a nation-
wide campaign sponsored by the
Foster Parent's Plan for war chil-
dren to collect two hundred million
pairs of shoes for the men, wom-
en and children of war-devastated
Europe and China.
The shoes will be forwarded to
the warehouse of Foster Parent's
Plan for War Children, Inc. in
New York, for shipment overseas.
Arrangements are being made at
the depot to sent at least 6,000 pairs
daily according to Mrs. Edna Blue,
international chairman.
The Ashland Woman's club will
hold an open meeting Tuesday,
March 1, at eight p. m. instead of at

**THAT'S ALL IT TAKES TO BUY A
B. F. Goodrich SILVERTOWN**

NO NEED TO "battle your budget" when it's time to
buy tires. There's no Government credit regu-
lation on famous B.F. Goodrich Silvertowns. You
pay only 10% down (\$1.50) — take up to 26
weeks to pay (\$1.25 a week).

Yes, it costs so little to buy these newer, better
tires. They're safer, longer wearing, better
riding! New super-strength cords from bead
to bead protect against bruises and blow-
outs, smoother bumps and jolts. New,
flatter "road level" tread shares the wear
better, lasts longer, stops quicker.

Do you do the "blanket walk"
in the middle of the night?

**No need for extra blankets when your room grows
cold at night... if you have an electric blanket**

You feel comfortable when you climb into your bed at night—
usually because your bedroom is warm. But if the heat is off for
the night, your room grows cold—and so do you. That calls for
waking up, getting up and trudging across cold floors for more
blankets. There's only one thing to do—

Get an electric blanket!

It warms your bed before you get in... keeps you warm all night
regardless of how cold your room gets because its warmth is auto-
matically adjusted to room temperature.

Get an electric blanket!

That's the word for full, refreshing, undisturbed sleep. Easy to
use, easy to wash, easy to own.

He's a Leak-Smeller-Outer

At 62, David Wilson is still agile enough to scamper around the high scaffolding of the Pacific Gas and Electric Company's San Francisco plant, smelling out leaks in the natural gas storage tanks. Wilson has been with PG and E for 25 years. When he sniffs or hears a leak, he pitches it up. Height doesn't bother him.

EARLY BEARER

A bearing apple tree exhibited by the Royal Horticultural Society, Westminster, England, was only 18 inches high. One year old, the tree had been raised from a seed and ice the year round.

bore four apples, which had a combined weight of six and one-half pounds.

About 8,000,000 square miles of the earth's surface are covered with

New Members Of Loyal Borean Class Feted At Supper

New members of the Loyal Borean class were entertained at a supper meeting held in the basement of the Borean Christian church. Thirty-five members and guests were present.

The meeting was opened by the president, Mrs. Kircher. In the absence of the secretary, Mrs. Albert Nall presided. Devotions were led by Robert Foster.

During the business session, plans were discussed relative to attending the "Passion Play" at Bloomington. A vote of thanks was given Mrs. W. W. Robinson for her contribution of flowers.

Mrs. Harold Stewart and Miss Olev Beltschmidt had charge of the program, which included a piano solo by Rita Jean Nall; a musical reading by Robert Foster; poems by Richard Houston, Marilyn Norfleet and Mrs. Kircher; an article by Mrs. Harold Stewart; and remarks and a musical reading by the Rev. R. E. May.

The contests were conducted, with prizes being won by Mrs. John Reside and Mrs. Gilbert McQueen.

Fire Prevention Pays Off Good

Ellsworth, Mich.—(AP)—Because old Peter Wieland believes in getting in the first punch, the village of Ellsworth hasn't had a fire in nearly three years.

Wieland, the 74-year-old fire chief of this tiny northwestern Michigan community explains it this way: "Fighting fires is like boxing—the fellow that gets in the first hard punch usually wins. A small fire is easier to put out than a big one, and preventing one is easiest of all. That's what we've been trying to do in Ellsworth—prevent fires."

Although Chief Wieland's aim is by no means unique, people of the village of Ellsworth proudly think his record is.

The last time this community of 550 population had a fire was May 9, 1946. That was 33 months ago. The village credits Wieland's hard work, caution, and planning.

The fire department carefully burns grass in all vacant lots each spring to prevent damaging grass fires. To eliminate possible fire sources in homes or office buildings, the whole town enthusiastically pitches in with fire inspections; and, then, if hazards are found, Wieland sees that the owners do something about them. As a guard against the day when their record inevitably ends, Wieland and his crew keep their fire-fighting equipment in top shape.

Mechanical Hand Has Joints

This is an experimental model of a new mechanical hand, which has joints like a human hand. Being tested at the Emergency Limb Center, in London, it picks up a ball bearing between finger and thumb. It has also successfully picked up cigarettes, pins and other small objects.

Billiard Matches To Feature Four Skilled Players

Two of Decatur's top billiardists will come to Jacksonville on Monday evening, Feb. 28, to match skill with two of this city's best known performers in a pocket billiard exhibition at the Drexel parlors on West State street.

Don Tozer of Decatur will meet Gerald Gilliland of this city at 7:30 p. m. in a match that holds plenty of interest. Tozer is a professional who has won several sectional tournaments and competed in national contests. Gilliland also has appeared in tournaments with good success.

Another Decatur billiard player will meet James Davis of this city in another match. The exhibition matches are open to the public without cost.

Style Show To Be Given At Meeting Of Jefferson Club

The highlight of the Jefferson Community club meeting, to be held Tuesday at 7:30 p. m. at the Jefferson school, will be a style show presented by the J. C. Penny Co.

About 30 models, all members of the club, will be featured in the show, which will include styles for men, women and children. Thirty-five ensembles will be shown.

Mrs. Elizabeth Imboden, a member of the program committee, will be in charge. The show is under the direction of Mrs. Ruth Roney. Waldo McCreary will serve as emcee.

The program for the evening will also include a group of musical numbers, both vocal and instrumental, by several students from the Illinois School for the Blind. A dance team will also perform.

Following the program, a movie will be shown. During the social period, refreshments will be served. Door prizes are offered.

All residents of the Jefferson school area are cordially invited to attend. Parents are urged to bring their children. There will be no admission charge.

Laymen's Sunday To Be Observed By Bluffs Church

Morgan county residents bought 23% more U. S. Savings Bonds of this year than in December, 1948, it was announced Saturday by Francis R. Rantz, chairman of the County Savings Bonds committee.

In January this year, a total of \$192,820 was invested in these bonds in Morgan county, compared with \$156,819 in December, 1948.

The monthly report reflects a healthy savings condition in the county, the county chairman said. The amount invested in January in these bonds will be returned when the bond matures in the ratio of four dollars for every three invested now.

For Illinois as a whole, a total of \$47,100,554 was invested in "E" bonds in January, it was reported from Chicago by Arnold J. Rauert, state director, Illinois Savings Bonds Division of the U. S. Treasury Department. This was an increase over the \$46,024,859 invested in January, 1948, and also over December, 1948 when residents of the state put \$32,363,740 into these Savings Bonds, through Payroll Savings Plans, Bond-A-Month purchases through banks and at post offices.

The man of genius is less prone to mental and physical disorders than are people in general, according to the Encyclopedia Britannica.

Bluffs—Rev. Kenneth Douglas, pastor, and Glenn Selvers, charge lay readers of the Bluffs Methodist church have announced that Sunday, Feb. 27, will be Laymen's Day. The speaker will be a layman from Grace Methodist church in Jacksonville.

The morning service is at 11 o'clock and the public is invited.

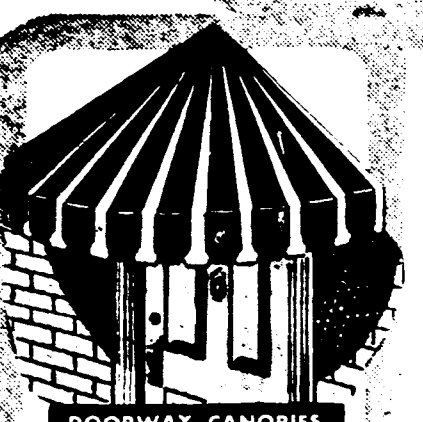

An evening unit of the Bluffs Home Bureau was organized Thursday evening at the home of Mrs. Wayne Gregory, Mrs. Mildred Seeman, home advisor of Morgan and Scott county, was present and talked on organization and later showed displays of textile painting and glass etching which had been done during the day in the Bluffs Civic Club rooms for the Home Bureau units in the Bluffs area.

Mrs. Dorothy Thomas, newly elected officers include chairman, Mrs. Dorothy Thomas, vice chairman, Mrs. June Moore, secretary and treasurer, Mrs. Bernice Gregory.

The meetings are planned for the fourth Thursday of each month. Those attending included Mesdames Dorothy Thomas, Helen Smith, Ruby Brideman, Alleane Willis, Jesse Frederick, June Moore and Bernice Gregory.

Diamond-back rattlesnakes in the zoo at Washington, D. C., are kept in a constant temperature of 80 degrees.

Book Describes Three Historic Homes In City

Three Jacksonville houses are the home of Dr. Greene Vardiman

among the 88 historic Illinois residences featured in its "book of the year" which the Illinois State Historical Society has just published. The book was written by John Drury, a Chicago author, and contains stories and pictures of houses in all parts of the state. The book's title is "Old Illinois Houses."

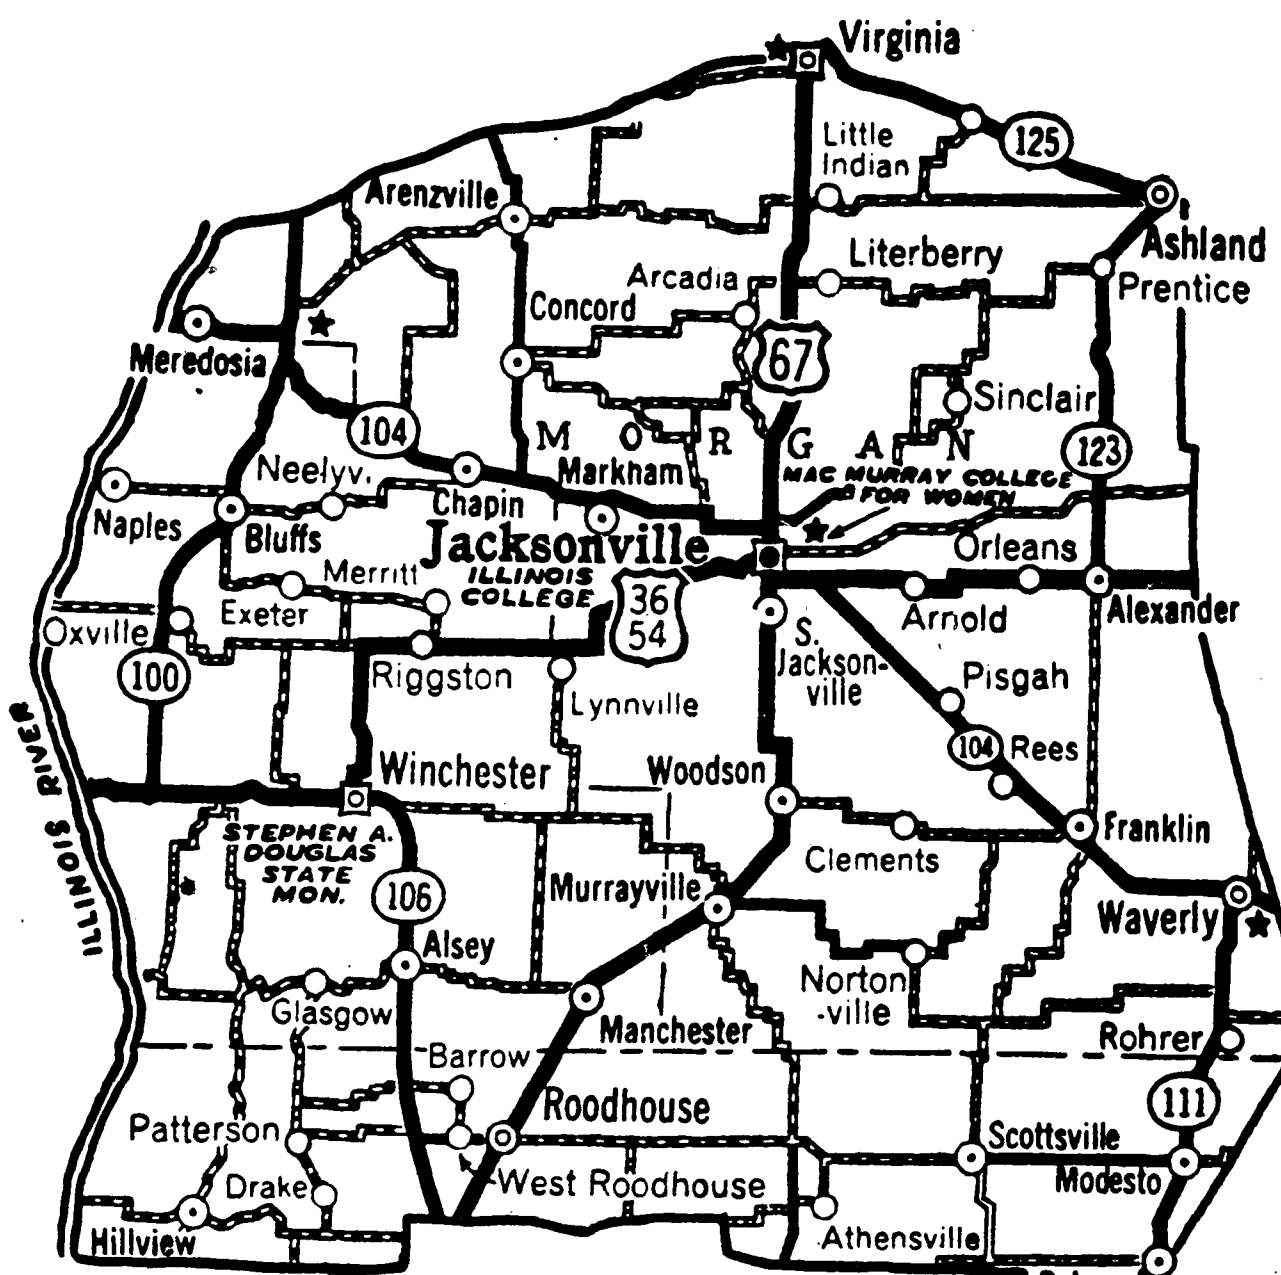

The three Jacksonville houses are the home of Dr. Greene Vardiman Black who is called the "father of modern dentistry," at 349 East State street; the Governor Joseph Duncan mansion, now the chapter house of the Daughters of the American Revolution; and the Julius E. Strawn mansion, the home of the Jacksonville Art Association. Most of the houses in the book were selected because they once were homes of persons famous in the history of the state or nation. Some, however, were included because of their great age or because they represented an architectural style typical of a certain period in the state's development. Still others are houses that are unique either in architecture or history. Many of these houses have become historic shrines and are open to the public as museums or libraries, but the larger number are still occupied as private homes, the use for which they were originally intended.

The author of "Old Illinois Houses" is an authority on Midwestern history. Last fall his book "Midwest Heritage," an illustrated history of the early days in this section, was published. The year before he was the author of "Historic Midwest Houses" and before that there was "Old Chicago Houses" and other volumes.

RETURNS FROM SCHOOL
Mrs. Helen Bryan of the corset department at Kline's has returned from a school for corsetiers held at the Hotel Louis Joliet in Joliet. The newest developments in foundation garments were displayed and thorough instruction in fitting corsets given.

Area To Be Served By New Hospital

Located in the heart of the area which it is to serve, the new Passavant Memorial Area hospital will be easily accessible to all of the points on the map above.

The hospital will serve the entire area, as outlined by the state and federal government. Some 50,000 people reside in this area.

There are various representative groups in every township, as well as groups actively engaged in organizing campaigns in Virginia, Arenzville, Roodhouse, Bluffs, Winchester and other community centers.

Information from campaign headquarters shows that those already contacted, especially in the rural areas, have responded generously in the appeal for funds to supplement the state and federal grants for the new hospital.

M'Murray Choir Annual Concert Sunday Evening

The MacMurray College Choir will present its annual formal concert Sunday evening, Feb. 27, at 8:15 in Music Hall. Henry Busche is conductor of the group and Miss Margaret Harvey of Quincy is accompanist.

Polyphonic works comprise the

first group, with the composers Schutz, Des Pres, Lotti, and J. S. Bach represented, the last named by "Happy Flocks in Safety Wander" having an obligato by two flutes. A group of Czech-Slovak and Danish folk-songs will afford lightness and contrast.

Works by young American moderns will be interesting features. One is "Ann Rutledge" by Theodore Fitch, written especially for the choir on the occasion of the MacMurray centennial celebration in 1946. Last year Mr. Fitch added an orchestral accompaniment which will be given its premiere at this concert by the college wind ensemble.

Other modern compositions are Benjamin Britten's "Old Abram Brown," "A Jubilate Song" by Norman Dello Joio with words by Walt Whitman, and "I Will Bless the Lord" by Robert Elmore.

Allen Ingels, 75, Retired Grocer, Dies at Versailles

Versailles—Allen Ingels, 75, a retired grocer, died Saturday at 6 a.m. at his home here. He had been ill for several months, but only seriously so for the past few days.

Mr. Ingels was born near Versailles on Jan. 29, 1874, the son of the late Mr. and Mrs. George Ingels. He had made his home in Versailles his entire life, with the exception of a few years in Ewing, Mo.

Surviving are his wife, Laura and four sisters, Mrs. Lizzie Barnett of Mt. Sterling, and Mrs. Lydia Coffey, Mrs. Anna Ransom and Mrs. Grace Lipcamon, all of Versailles. One son, Charles, died in infancy.

The body is at the Tarrant Funeral Home in Versailles, where services will be held at 2 p. m. Monday. Burial will be in Versailles cemetery.

Heirs Buy Arnold Farm at Auction For \$284 an Acre

The Arnold farm of 408 acres, located along U. S. Route 36 several miles east of Jacksonville, was sold at public auction Saturday morning for \$284 an acre to L. C. Arnold, trustee for the heirs of J. W. Arnold, deceased.

The auction attracted a large crowd to the court house. Bidding started at \$225 an acre and moved upward during the next 15 minutes of bidding. Middendorf Brothers were auctioneers.

Owned by the Arnold family since 1896, the farm was offered at auction by heirs of James E. Arnold, deceased. L. C. Arnold is attorney for certain heirs, and other heirs are represented by Edward J. Flynn.

Broken Back?

It looks like an X-ray of a fractured spine, but it's really a high-speed photo of a large drop of water undergoing shock breakup under pressure of a wind stream. Photo was taken during research into raindrop behavior at the General Electric Research Laboratory, Schenectady, N. Y.

New design! New features! New sizes and wheelbases! New money's worth!

IMPORTANT

A wise truck buyer will look under the truck for the extra heavy sturdiness of the frame, brakes, springs, steering, and front end; also the extra fine interior cab features and the attractive exterior massive cab lines.

These are bare facts and important in buying a truck capable of doing the job you are buying it for.

The STUDEBAKER TRUCK guarantees all these features and offers many more important suggestions to the wise truck buyer.

You are urged to consult your STUDEBAKER TRUCK DEALER and ask for the truck salesman for these facts.

Your only real Security... A Home of Your Own

A Message to the Man With a Family

Nothing else you can buy with your money lasts so long, serves so well, gives so much value year in, year out, as your own home. It is at once the badge of solid citizenship and the mark of a man who is striving to provide security for his family.

Where else can you put your money, the fruits of your labor; how else can you provide so much comfort, happiness and security for your family and yourself, than in a home of your own?

The house you buy today provides shelter and a good life for your family now and, as you pay for it, month by month, it helps you build a solid financial future for yourself. Of all things you can buy, only a home retains its real worth — twenty, thirty, forty years from now it will still give you safe, secure shelter. All that this house actually costs you is the down payment, your monthly payments are both rent and savings.

Yes, your only real security is a home of your own!

Stocks may depreciate, bonds may be defaulted, even savings accounts may be depleted, but so long as your home stands, it is your security, it is stability, for you and your family.

Fortunate indeed, is the man who owns his home. It gives purpose to your family life. Come war or inflation, your savings invested in a home always yield their full measure of value in shelter, comfort and satisfaction. Should hard times come some day, your savings might be dissipated while your home still stands as a haven. We learned during the depression of the thirties that it is neither wise, profitable nor necessary to take an honest man's home from him. We learned that there are measures that can be taken to help a man hold his home. This lesson our country will never forget.

In this blessed America of ours, more people own

their homes than in any land on earth. They are better homes, far, far better than the people of any other country may aspire to.

And our homes are getting better all the time. Now that material and labor shortages are practically over, you may confidently expect to find this year the greatest home values ever seen in this country.

Like something else, houses cost more than they did ten years ago. Yet such is the progress of the building industry that more people can afford to own a home today than ever before.

The home building industry of this country is constantly increasing the value of its product and reducing its costs so that the benefits of home ownership may be extended to more families than ever before. In thousands of communities in this country, you can now buy a home for no greater monthly cost than your weekly pay check.

Remember, a home is more, much more, than bricks and mortar, nails and lumber. It is your sure investment in your family's happiness and welfare.

In this insecure world a home of your own is the only sure bulwark you can erect against the forces that threaten the security of your family.

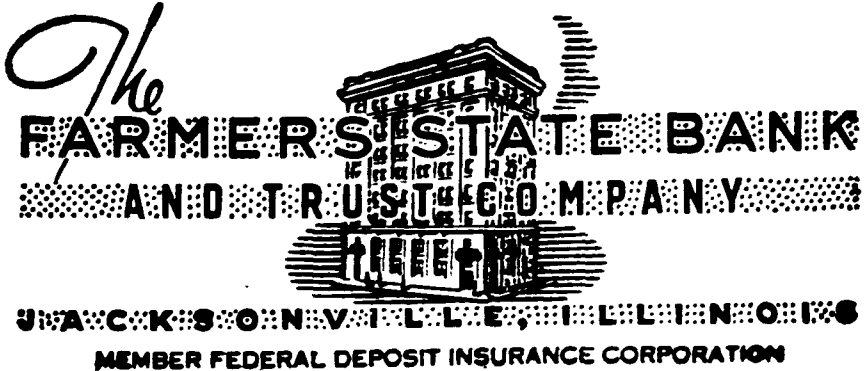

We are serious, deadly serious, about our job and helping you are our local suppliers of all materials and new ideas for our new development. They are working with Labor in the American Way of free enterprise and they will not stop in their efforts to help us provide good homes and good values for home buyers in this community.

It is our sincere wish that in the years to follow the purchasers of these new homes, their friends and neighbors, and in fact every citizen of this community, as they drive by our new Crescent Parkway or other homes we have built, will honestly and sincerely say—**Well Done.**

Banquet Held By Men's Civic Club At New Berlin

New Berlin — The New Berlin Men's Civic club held its first annual banquet at the New Berlin high school, with 120 persons in attendance.

Serving as toastmaster was M. Manwaring. Professor Anderson, rural sociologist from the University of Illinois, was the guest speaker. A welcome was extended by John Blakeman, president of the club.

Tea Peters visited in Lansing, Mich., with his brother and sister-in-law, Mr. and Mrs. Joe Peters, who were observing their 25th wedding anniversary. While there, he also attended the wedding of his niece, Annie Peters.

Boyd McDevitt, a graduate of the New Berlin high school, has returned from Cocoa, Fla., where he was graduated from Bill McGowan's umpire school.

Mr. and Mrs. Harvey Cottam of Nestor Falls, Canada, are visiting with Dr. T. R. Maxwell.

Harry Haurahan of Springfield, visited here with his parents, Mr. and Mrs. John Haurahan.

A daughter, their third child, was born at Passavant hospital to Mr. and Mrs. John McCullough. The child has been named Aleta.

Rev. and Mrs. Ralph Fessler are parents of a daughter born at Passavant hospital. The infant, weighing nine pounds, 15 ounces, was their third child.

Something New Has Been Added

This is the way the U. S. flag may look some day—soon, Alaskans and Hawaiians hope. It has 50 stars, the two new ones representing Alaska and Hawaii, which are seeking statehood. Jenny Irish, White House secretary, displays the flag after it was presented to President Truman by E. L. Bartlett, territorial delegate from Alaska, as a gift from the Alaska Territorial Federation of Labor.

Needy Italians See Little of E. R. P.

Despite the huge sums the European Recovery Program has poured into Italy, scenes like this are still common in Rome. Here the children of a jobless Italian share the family's only bed with flies and vermin. Most of the E. R. P. money goes to increase Italian industrial production. (Photo by NEA-Acme staff correspondent Massimo Ascanti.)

**Award Will Be
Made To Pike
County Farmer**

Pike county, Illinois, its fine farms and the scores of expert farmers who work them, will be the major agricultural topic throughout the nation next Saturday, March 5, when Walter Weibel is presented with the honored W. G. Skelly award for superior achievement in agriculture.

According to ten midwestern farm leaders in charge of the awards, Weibel's successful farm production record can be chiefly attributed to the extreme care he has always taken of his soil. It is a primary program. All fields are tested and fertilizers such as lime, potash and phosphate are used as recommended under the conservation plan. The farm is tilled, and grassed waterways maintained. A rotation of corn, oats, alfalfa and ladino and brome is followed. Also an extra 42 acre pasture for hogs is furnished by an alfalfa-ladino-brome mixture.

The 160 acre Weibel farm specializes in pork production; marketing around 150,000 pounds annually. This is in line with the importance throughout the county of raising hogs. Other average annual food production totals include the selling of over 600 dozen eggs and 750 gallons of milk. Last year 38 acres of corn yielded 5,200 bushels, and 50 acres of oats; a harvest of 3,000 bushels. However, the mainstay is about 600 head of hogs.

According to the award committee, one of the main ambitions expressed by Walter and Mabel Weibel is to so handle the farm that it can some day be turned over to their three children as a more productive place than when they took over.

Mr. Weibel will receive his award consisting of a \$100 U. S. Savings Bond, scroll and gold lapel pin, presented in behalf of W. G. Skelly, president of the Skelly Oil Company, during a breakfast to be given in his honor Saturday morning to which many friends and neighbors have been invited.

During this time, the story of his achievements will be broadcast over a NBC radio network by Lloyd Birmingham, farm news commentator, on "This Farming Business" program.

**Gives Oration At
General's Funeral**

Dr. Arthur F. Ewert, pastor of Westminster Presbyterian church, has returned from Lake Forest, Ill., where on Thursday he delivered the funeral oration for Lt. General Roy D. Kechn, former soldier, lawyer and public official, whose death occurred Feb. 21.

The funeral was held at the Kechn estate west of Lake Forest. Dr. Ewert officiated in compliance with a request made by Lt. General Kechn years ago when both men were in the service of the Illinois National Guard. Lt. General Kechn commanded the 33rd Division from 1927 to his retirement in 1940. Dr. Ewert, a colonel in the army reserve, was chaplain of the 33rd division under Kechn.

Hunger Adds to Indonesia's Woes

At a rehabilitation camp, operated by the Dutch near Jogjakarta, starving native children hungrily gobble up rice and beans, served on bits of paper. The frightened youngsters are innocent victims of recent civil strife in Java. (Our World Magazine photo from NEA-Acme.)

**Pauline Hubble,
35, Of Roodhouse
Dies Here Friday**

Roodhouse—Mrs. Pauline Hubble 35, died Friday at 6:50 p. m. at Oaklawn Sanatorium near Jacksonville, where she had been a patient for the past several months.

Born in Athensville township on Feb. 5, 1914, Mrs. Hubble was the daughter of P. T. and Nora Harris Patterson. She had spent her entire life in the Roodhouse and Athensville communities.

Surviving are her husband, Justin; a daughter, Barbara; her parents, who reside in Athensville; two sisters, Mrs. Lorene Griffiths of Palmyra and Mary Louise Patterson, at home; and two brothers, Harris Patterson of Alton and Hal Patterson of Pontiac.

Mrs. Hubble was preceded in death by one brother and one sister. The body is at the Wolfe Memorial Home in Roodhouse.

Funeral services will be held at 2 p. m. Tuesday at the Richwoods church east of Roodhouse. The Rev. Ollie Phillips will officiate and burial will be in Richwoods cemetery.

LET US CORRECT IT!*

Shimmy due to unbalanced wheels can be a menace to your driving safety, as well as a cause of unnecessary wear on car parts AND TIRES. Why put up with it when our wheel balancing service is so fast and inexpensive.

With our Weaver Dynamic Wheel balancer, we can quickly determine balancing needs and apply correct weights for perfect results. You can see for yourself on the Balancer dial that correct balance has been attained.

DRIVE IN TODAY!

The cost of wheel balancing will be repaid in added tire wear alone, with driving comfort and safety an extra dividend. All our work is guaranteed.

Wife And Children To Receive Estate

The will of the late Albert N. Vaughn has been filed for probate, naming his wife, Mrs. Mittle E. Vaughn, as beneficiary of his entire estate during her lifetime. Mr. Vaughn directed that subject to the life estate of his wife, the property pass in equal shares to his four children. A son, J. Fred Vaughn, was named as executor.

Mr. Vaughn's will was made April 11, 1938, with Bernice Watts, Winifred Sinclair and William E. Thompson as witnesses.

ABC On Filling Out Short-Form 1040

Editor's Note: This one of a series
of articles on who has to do what
about his 1948 income tax return,
for the deadline is March 15.

By JAMES MARLOW
By James Marlow
Washington, Feb. 25—(AP)—This
is an ABC on filling out your 1948
income tax return on the 1040 short-
form.

Like anyone else with income
under \$5,000, Jones can use the
short-form. His income was \$4,800.
His wife had none. They have a
dependent child.

But his first problem is: should he
file alone, separately, since his wife
had no income and doesn't have to
file? or jointly. He knows:

1. When a husband has income,
but not the wife, he can file by
himself and get an exemption for
himself, his wife, and any depend-
ent. But—

Because the new law permits
"splitting" income, as if husband
and wife each were claiming half
the total income.

2. NO exemption can be claimed
for a wife who had income, no
matter how tiny, unless she files
jointly with her husband, or separ-
ately (remember: a wife is not
classified as a dependent. You can
still claim as a dependent a person
with income, so long as it's not
\$500 or more, and get an exemption
for him).

If the wife with income files
separately, she claims her own ex-
emption, and the husband, filing
his own return separately, claims
his own exemption. And the one who
provided more than half the support
of a dependent, like a child, claims
an exemption for him.

If husband and wife file jointly—
when both have income—they get
their two exemptions, plus one ex-
emption for each dependent.

Files Separately On Short Form
3. When husband and wife have
income which is individually less
than \$5,000 but combined is more
than \$5,000, they can file separately
on the short-form, but not jointly.
or, they can file separately or jointly
on the 1040 long-form.

Since Jones had income but his
wife didn't, he comes under No. 1
above. So, to find out whether he
saves by filing separately or jointly,
he turns to the tax table on page 4.

In Jones' case, the tax is \$437, if
he files alone. It's only \$422, a
saving of \$15, if he files jointly with
his wife. So he'll do that. Now re-
turn to page one. Start down, answer
the questions at the top. Then—

No. 1. Jones lists himself, his wife,

his dependent child. He answers
"no" to the questions about blind-
ness and age, since neither he nor
his wife is 65 or blind.

Extra Exemption For Blind
There's an extra exemption for
blind taxpayer and another for his
wife, if she's blind; and another extra
exemption for him if he's over 65,
and another extra one for his wife
if she's over 65. Example: if both
were blind and over 65, each would
have three exemptions. But—there's
no extra exemption for a depend-
ent who's blind or over 65.

Now Jones comes to No. 2. He
writes his employer's name, and
place of business. Right beside it
he lists his salary, \$4,800, which was
his entire income. And, besides that,
he lists—say, for illustration—\$500
which his boss withheld from him
in taxes during the year.

He skips the next questions which
don't apply to him, or fills in those
that do, and makes it clear at No. 10
that he had already overpaid his
tax by \$33. The difference between
the \$460 his boss withheld from him
and the \$422 the tax table shows
his tax should be.

And under No. 10, since he wants
a refund, he checks off the refund
box.

Both Must Sign Return
Then he answers the rest of the
questions and he and his wife both
sign the return. Unless husband and
wife both sign a joint return, the
collector will consider it a separate
return which may mean a higher
tax for the couple.

Then Jones tears off that first
part of form 1040 and sends it into
the tax collector for his district but,
before he does, he does this:
He attaches to it the form W-2,
the withholding receipt his boss
gave him for tax withheld from his
salary during the year.

But what of deductions for things
like charity and so on? Jones didn't
have to bother about them. His
didn't amount to 10 per cent of his
income. And the tax table he uses
allows for a 10 per cent deduction
for everyone.

But—if yours are more than 10 per
cent of your income, you'll lose
money filing on the 1040 short-
form. Use the 1040 long-form. There
you'll have to itemize them but you
can claim them in full.

Five Men From This Area Enlist For 3-Year Terms

Five men from the Jacksonville
area have been accepted for enlist-
ment in the U. S. Army and Air
Force. The four men enlisting in the
air force will receive their training
at Sheppard Air Base in Texas, while
the enlistee in the regular army will
be sent to Camp Chaffee, Ark.

The terms of enlistment are three
years each.

The enlistees are Chester Orris of
Riggston, regular army, and Byron
E. Reynolds, 410 Hardin avenue. Joseph
A. Winchester, 908 East Indiana
avenue. William E. Wilkinson, 137
Spaulding Place, and Walter E. Dob-
son, Jr., of Chapin, air force.

Murrayville Club Members Relate Historical Event

"An Historical Event in American
History" was the topic for roll call at
the meeting of the Murrayville
Friendly Neighbors club held at the
home of Mrs. Ola Pitchford. Sixteen
members were present.

A report on "Early American His-
torical Facts" was presented by Mrs.
Helen Saxon, who had charge of the
program. A brief business session
was conducted by the president, Mrs.
Emma Rolser.

During the social period, two con-
tests were conducted by Mrs. Josie
Hayes. Prizes were won by Mrs.
Lydia Garfield and Miss Isabel Riley.
Guests present were Miss Marjorie
Mutch, Miss Diana Garfield and
Miss Linda Jean Summers.

The next meeting will be held on
March 3 at the home of Mrs. Frances
Lonergan.

Bertha Parkin To Teach At College

Miss Bertha M. Parkin of Waverly
has been employed as shorthand and
typing teacher at Hardin Brown
Business College and will assume
her new duties March 1.

Miss Parkin is a graduate of Illi-
nois College, Brown Business Col-
lege, St. Louis, Mo., and the Gregg
Teachers' College of Chicago. For
the past 10 years she has been teach-
ing commercial subjects in high
schools and in the Brown's Business
College at St. Louis.

Miss Parkin is filling the vacancy
on the HBBC staff caused by the
resignation of Miss Vera Seaton
who is a candidate for the office of
city treasurer. Miss Seaton has been
a member of the Hardin Brown fac-
ulty for the past three years.

To Assist In Drive

R. C. WHEELER
Robert E. Spink, chairman of the
1949 American Red Cross fund cam-
paign, has announced the appoint-
ment of R. C. Wheeler as chairman
of the national firms division of the
campaign.

Mr. Wheeler has resided in Jack-
sonville since August of 1947, when
he came here from Effingham to
manage the Sears, Roebuck store.
He is a member of Rotary club.

List Agricultural 4-H Clubs, Leaders In Greene County

Carrollton—Greene County 4-H
club members, leaders and sponsors
will be guests of the Springfield
Chamber of Commerce in the
Springfield Armory on March 12 at
eight p. m. An entertaining program
is being planned.

W. H. Brown, Jr., county farm
adviser, has concluded a series of
community meetings on 4-H club
work in the county. The agricultural
4-H clubs and their leaders for 1948
were as follows:

The North Lincoln Go-Getters,
led by R. Schneeflock; the Carroll-
ton Bays, J. Steinacher; The
Carrollton Juniors, Robert Butler;
the Kane Agricultural, George W.
Cory; the Kane Swingmasters, Hen-
ry Carl Steinacher; the Linder Go-
Getters, Frank Kuhnline; the Hill-
view Handy Husters, Wayne
Holloway; the Rockbridge Livestock
club, Lloyd Hanna; the Greenfield
Topnotchers, E. R. Foster; Bending
Oak, John Everett; Liberty Barrow,
Buell Steelman; Walkerville 4-H Leaf
Workers, Mrs. Robert Hubbard; the
Greene Thumbers, Duane Hanly;
White Hall Juniors, George Fafferty;
Hightreet 4-H club, J. R. Painter;
Woodville Workers, Kenneth Robin-
son; the Wrights Community club,
Oscar Thiebaud and Oakland Go-
Getters, Russell Finney.

Wed At Church

MR. AND MRS. ROEGGE

The marriage vows of Miss Eleanor
Mason and John Roegge were spoken
in a double-ring ceremony which
took place Feb. 19 at Trinity Luth-
eran church in Arenzville.

The bride is the daughter of Mr.
and Mrs. Everett Mason, rural route
three, Jacksonville. Mr. Roegge is
the son of Mr. and Mrs. Edgar
Roegge of Arenzville.

Upon returning from a wedding
trip, the couple will reside on a farm
northeast of Jacksonville.

Blueboys End Cage Season With Win Over Elmhurst Five

1949 State Cage Flag Chase Begins In Sixty City Regionals Monday

Springfield, Ill., Feb. 26.—(P)—The Tempo picks up in the 1949 Illinois prep basketball flag chase with the start of stiffer regional tournament play in 60 downstate cities Monday and Tuesday.

Classy quintets like Sterling, Collinsville and Nashville make their debut in show down competition Monday, followed the next night by such elite contenders as Elgin, Danville and Teutopolis.

In all, 430 big entries get their feet wet next week in the grueling, month-long elimination grind. They join 49 prize winners and one runner-up in small school district meets concluded last Friday.

Most regional tournaments have ended the usual Tuesday through Friday program.

However, 20 lift the lid on Monday and continue four more nights. These are at Adams, Clinton, Dwight, Edwardsville, Gibson City, Jerseyville, Johnston City, Kewanee, Lexington, Liberty, Lincoln, Mc. Carmel, Mt. Carroll, Peoria, Pinckneyville, Pittsfield, Robinson, Rockford (west), Rushville, and Sterling.

Pinckneyville's defending champions, completely rebuilt from last year, aren't expected to get very far. Right off the bat, the Pincks bump into Nashville's potent Hornets who bagged 26 victories in 27 regular season tilts. In a November duel, Nashville won by eight points.

Most of the season, Elgin's rangy Maroons have had a too heavy favorite to inherit Pinckneyville's crown, although this picture has been clouded somewhat in the last

10 days.

Elgin piled up 17 impressive triumphs without a loss, but then dropped three decisions in a row after Bob Peterson, 6-7 center and the Maroon scoring ace, came down with the measles.

Coach John Kraft's lads finally managed to get back into the win column Friday with a 76-65 verdict over Freeport. They have a mighty tough row to hoe in the Woodstock regional, where Dundee's 29-game winner looms as a probable foe in the playoff match.

Just as either Dundee or Elgin is sure to fall by the wayside at Woodstock, so will other Hardy challengers with impressive records succumb to the mounting pressure of the regionals. It always happens.

The 60 regional victors move on to 15 sectional March 9-11. Sectional winners and the Chicago public school titlist enter the State finals March 17-18 at Huff gym in Champaign.

David Prince Drops Tourney To Taylorville

Merle Wade's David Prince cagers dropped a thrilling 35 to 34 cage bout to the host hoopers in the championship tilt of the Taylorville invitational tournament Saturday night.

The Jacksonville boys led by 6 points with 1 minute to go. The Taylorville lads rallied to knot the count and with only 30 seconds remaining Iky Wright chalked up a free throw for the locals to put them back into the lead 34 to 33. Martin, Taylorville guard, dropped in a long shot just as the horn sounded to give the host school the nod.

This was the second loss of the season for the David Prince team. They own a string of 17 wins.

St. Mary's of Taylorville, defeated ISD for consolation honors.

Cary Middlecoff Ahead In Rio Grande Open Golf

Harlingen, Tex., Feb. 26.—(P)—Handsome Cary Middlecoff, Memphis, Tenn., dentist, let the birdies sing in the rain for him today as he sloshed through mud and water to a great 63 and leadership at the three-day Rio Grande Open.

Cary's eight-under-par on the 6095 yard Harlingen municipal course, dotted with fairways lakes after more than two inches of rain during the day, gave him 197 for 54 holes.

The black haired young man used only 22 putts as he rolled up eight birdies and an eagle and missed bettering the competitive course record by a matter of three feet on a missed putt on hole No. 5.

It was one of the greatest rounds of the winter tour and was remarkable because of the terrible conditions under which it was scored.

Middlecoff will go into tomorrow's final 18 holes boasting a four stroke lead over the field.

Big Bob Hamilton of Landover, Mr. slipped in with a 69 to take over second place with 201. Tied for third were Skip Alexander of Southern Pines, N. C.; Jim Turnesa of Briar Cliff, N. Y.; and Ky Laffoon of St. Andrews, Ill., each with 202.

Hamilton got only two birdies—with a five-foot putt on No. 3 and a 12-footer on No. 18—and parred the rest of the holes. "I had trouble all the time," he said as he dug the caked mud off his shoes. "Man, did I have trouble."

Minnesota Beats Purdue 58 To 48

Minneapolis, Feb. 26.—(P)—Minnesota beat the Purdue Boilermakers basketball team 58 to 48 tonight, holding the visitors to only two field goals in the final half.

Purdue used a fast break and a tight defense to go into a 37-32 lead in the final minutes of the first half.

The Gopher defense failed to get going until the second half.

Meanwhile, Whittier Skog, Jim McIntyre and Bud Grant began an assault on Purdue's basket and pushed Minnesota into a 49 to 48 lead with only four minutes of play left.

Skog, McIntyre and Wally Salovich then combined for seven consecutive points to clinch the contest.

Champaign Wins State High School Wrestling Title

Champaign, Ill., Feb. 26.—(P)—Champaign high school today successfully defended its Illinois state wrestling championship by capturing the annual tournament with a total of 35 points. New Trier was second with 26.

A pair of twins—Don and John Dickson—helped Champaign by winning individual championships in the 165 pound and heavy-weight divisions. They personally accounted for 12 of Champaign's point total.

Tied for third in the team standings were Tilden and Hirsch with 21. Proviso was fourth with 19. Other team totals were Joliet and Blue Island, 9; Pekin 7; Urbana 6; Morton 4; Waukegan, Moline and Schurz, 3; Danville, Riverside, Morcan Park Military Academy, and Harvey, 2; Calumet City, Rockford East, Calumet, Wheaton and Granite City one each.

Summaries:

95 pounds—Bucklin (New Trier) defeated DeBuss (Rock Island), 9-6.

165 pounds—Hedstrom (Rock Island) defeated Kitzak (New Trier), 12-9.

115 pounds—Wubban, (Pekin) defeated Iben (Champaign), 5-2.

125 pounds—Sturdy (Champaign) defeated Suttle (New Trier), 10-2.

135 pounds—Stoudt (Hirsch) defeated Jackson (Champaign), 8-2.

145 pounds—Pearson (Tilden) defeated Abbs (Proviso), 5-3.

155 pounds—Weick (Tilden) defeated Paynik (Joliet), 6-4.

165 pounds—Don Dickson (Champaign) defeated Wise (Proviso), 5-2.

175 pounds—Bennett (Hirsch) defeated Arens (Tilden), 8-1.

Heavyweight—John Dickson (Champaign) defeated Feldner (Blue Island), 7-2.

Ohio State Whips Michigan 69-44

Columbus, Ohio, Feb. 26.—(P)—Ohio State's Buckeyes went on a basketball rampage tonight, hitting the hoops from all directions to wallop Michigan 69 to 44.

The win enabled the Bucks to close their Big Nine season with a 6-5 record. It also avenged an earlier 44-48 defeat by the Wolverines at Ann Arbor.

Dick Schmittner, the Bucks' ailing star, returned to something like his old form with 18 points.

Ohio State attempted 67 shots and bucketed 25 of them for a 37 per cent average. The Wolverines dunked 16 of 87 pitches at the hoop for an 18 per cent.

Ohio ended the first half with a 36-19 lead.

The second half saw Ohio State maintain the pressure. Next to Schmittner's 18 points, Michigan's Pete Elliott was second in scoring honors with 15.

It was Michigan's fourth defeat in 10 starts.

JERSEYVILLE TAKES SECOND IN IVY LOOP

Front row, left to right, Roger Kanallakan, Bill Reynolds, David Green, Hubert Hughes, Harvey Harmon. Back row, Coach E.V. Halt, Roger Roth, Jim Warford, Irwin Freesmeyer, Stanley Miller, Jim Shortall is not in this picture.

Coach E. V. Halt's Jerseyville Panthers captured second place in the Illinois Valley basketball race and finished in the same position in football. Coach Halt has a bunch of underclassmen that are going to be tough in the next season or two as he turned out winners at Lawrenceville the past five years. His Lawrenceville Indians won 98 games in five years and missed the "Sweet 16" last year as the Robinson five won by two points from his team in the tough Bridgeport regional tourney.

Wally Osterkorn Gets 24 Points As Illinois Whips Wildcats 81-64

Chicago, Feb. 26.—(P)—With its harmonized attack topped by Wally Osterkorn's 24 point outburst, Illinois romped over Northwestern 81-64 tonight to tighten its Big Nine cage lead in record-breaking style before 17,095 Chicago Stadium fans.

The combined tally of 145 points was a new stadium record for college basketball, bettering the 136 total in Great Lakes' 69-67 win over DePaul in 1946. The Illini's 81 points were only five shy of matching the stadium team scoring mark of 86 set by the Illinois whiz kids six years ago.

In racking their ninth Big Nine win in 10 starts, the Illini were the classiest performers seen in the stadium this season during the first half. They hit 19 of their first 33 shots to coast into a 50-31 lead at midway.

In the surge, Dike Eddleman banged in 16 points—hitting eight of 12 shots—while Slip Kersulis added 12 and Osterkorn nine.

Kersulis shoved in eight points in the first two minutes of the game and 44 minutes passed before Northwestern could count a basket. The Wildcats, suffering their 10th loss in

Indiana Defeats Iowa Five 76-60

Iowa City, Ia., Feb. 26.—(P)—Indiana jumped into fourth place in the Big Nine basketball race to-night by staging a fast finish to humble Iowa 76-60. It was the Hoosier's sixth victory in 11 conference games.

Iowa, losing its eighth game in 10 conference starts, folded late in the contest under the heavy pressure of Indiana's scoring pace.

The lead changed 15 times before Indiana took over for good with seven minutes remaining. The Hoosiers' dazzling speed wore down the Hawks in the stretch.

Iowa gave it a big try until the final minutes. The Hawks were ahead 36-33 at the half and holding their own until Indiana's closing blast.

The victory shot the Hoosiers ahead of their state rival, Purdue, in the conference race.

Jerry Stuteville topped Indiana's scoring with 21 points. The Iowa point-making was well distributed.

Iowa lost Tony Guzowski on fouls shortly before the first half ended and Frank Calsebeck, Iowa canted, left with nine minutes gone in the second half. Lou Watson, Indiana, fouled out late in the contest.

Millikin Defeats Anderson 69-58

Decatur, Ill., Feb. 26.—(P)—James Millikin basketball team closed its season tonight with a 69 to 58 victory over Anderson (Ind.) College. The triumph gave the Decatur quintet a season record of 12-11.

Millikin held a slim 35-34 edge at half-time, but gradually pulled away from the visitors in the second period.

"Jumping Johnny" Wilson, Anderson center, led the scoring with 30 points. He got 22 of those in the first half.

Tied for runnerup honors were Capt. Toby Althoff and Scotty Steagall, of Millikin, each of whom netted 18 points. It gave Steagall a total of 486 for the season.

Western Illinois Defeats Southern Illinois 64-55

Macomb, Ill., Feb. 26.—(P)—Western Illinois conquered Southern Illinois, 64-55, to tie Eastern Illinois for the Illinois Intercollegiate Athletic conference basketball title in tonight's closing round of play.

Eastern, which tonight whipped Northwestern Illinois, 29-57, at Charleston, and Western each finished with a 5-3 league record.

Western held a 31-29 halftime lead, but the game was a see-saw battle until midway in the closing period when Western went in front, 46-44, and never was headed.

Al Miksis, bidding for the conference scoring crown, led Western with 22 points and a total score bag of 121 points.

McClure counted 19 points. Southern which wound up with an IIAA record of 4-4 was paced by Bob Kissick with 12 points.

Noted Physicist Joins Illini Staff

Pittsburgh, Feb. 26.—(P)—Dr. Frederick Seitz, 37, one of the nation's leading nuclear physicists and head of Carnegie Tech's physics department, said today he is leaving next fall to join the staff of the University of Illinois.

Dr. Seitz was director of a training school at Oak Ridge, Tenn., in 1946-47. He worked on the Chicago University's plutonium project from 1943 to 1945. He has been working on a cyclotron project here.

JAIL QUARANTINED WITH CASE OF MUMPS

Burlington, Ia., Feb. 26.—(P)—The Des Moines county jail is going to be a mighty hard place to get into or out of—the next two weeks.

It was quarantined today because one of its three inmates came down with mumps.

What Jailer Hal Green can't figure out is how come.

The inmate with the swollen jaws has been in since November.

Big 9 Standings

Team	W	L	PF	OP	PCT
Illinois	9	1	639	538	.900
Minnesota	9	2	565	466	.812
Michigan	6	4	477	485	.600
Indiana	6	5	583	540	.545

Michigan, Ohio State Favorites In Big 9 Track

Chicago, Feb. 26.—(P)—Defending champion Ohio State and Michigan are slight favorites to emerge on top of a free-for-all title struggle in the 39th annual Big Nine indoor track meet at the University of Illinois Friday and Saturday.

Form charts give an edge to the two schools, but Illinois, Minnesota's 1948 NCCA winners, Wisconsin, Purdue and Indiana all have possibilities. Only Northwestern and Iowa, lacking team strength, are ruled out of contention.

Ohio State, the 1948 indoor surprise winner, has fine individual power in both hurdle events and the high jump. Michigan, a perennial favorite with a collection of 15 crowns, has better team balance.

Illinois, only three points behind the Buckeyes' victory bag of 43 last year, is undefeated this season and rates the darkhorse role. It has balance in field events and top strength in the two-mile run where Vic Twomey and Walt Jewsbury rank 1-2 in the conference.

By John Campbell

Prep basketball will come to a close in scheduled Saturday night with the following games before the Regionals begin next week. Anna-Jonesboro at Collinsville; Sparta at Wood River; Mt. Pleasant at LaSalle-Peru; Keokuk, Iowa at Monmouth.

Ronnie Milnes, high scoring forward for Coach Howard Berline's White Hall Maroons scored 19 points to lead his team in defeating Greenfield 49-34 Wednesday night. Milnes scored 125 points in Ivy games for third place in the conference scoring this season.

Illinois College will play the Elmhurst College five at the Illinois School for Deaf gym Saturday night in the last game for the Blueboys. Coach Al Miller's lads have enjoyed a fine season and are to be congratulated on their fine work for their high standings in the loop race for 1949.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Feb. 26.—(P)—Cattle, hogs and sheep were quoted nominally steady on the livestock market today. The range for hogs was from \$18.75 to \$21.50.

After displaying some firmness early, most cattle prices moved lower this week. Weakness was most pronounced in cows and bulls, which lost 50 cents to \$1.50, while steers and heifers ended steady to 50 cents higher after showing gains of \$1.50 early in the week.

A slight expansion in receipts and the fact most slaughterers were closed on Washington's birthday were considered responsible for the price easiness, the agriculture department said.

Price changes in hogs were small. At week's end prices were steady to 50 cents higher than a week ago. Fat lambs rose to the highest price on record for February, \$2.25, although losing part of this advance later in the week. Small receipts and higher wholesale prices backed the advance.

Set Two Records In State Prep Swimming Meet

Winnetka, Ill., Feb. 26.—(P)—Defending champion New Trier captured the team championship and two new records were established in the State high school meet at New Trier pool today.

New Trier piled up a winning total of 43 points, followed by Lane Tech of Chicago with 32, and Proviso with 26.

Downstate scoring in the 14-school field included West Rockford, fifth, with 13 points; East Rockford, eighth with five; Danville, 10th, with three; and Urbana, tied for 12th with two.

Proviso's Jerry Holan bettered the 100-yard breast stroke record with a 1:05.2 time, Ronald Francis Gore, Lane Tech sophomore, hung up a new 200 free style record of 2:01.1.

Sportsmen club meeting.

Amalgamated clothiers hall, 17:30 Mon. Feb. 28.

Millermen Score 85 To 52 Little Nine Victory Over Bluejays

It's all over but the shouting as far as the regular Illinois College cage card is concerned after the Blueboys romped to a 85 to 52 CCI conference win over the Elmhurst Bluejays on the ISD planks Saturday night.

This victory gave the Miller coached crew a season's standing of 18 ups and 6 downs on their complete schedule, and a loop standing of 8 wins and 2 losses. They tied with Wheaton College for second place in the little nine hoop conference but still enjoy the distinction of being the only team in the league to whip every other entry at least once. They pack a single win over Ill. Wesleyan, the conference champs, who have been beaten only that lone time in loop competition.

Off To Slow Start

The Illinois College five, one of the most successful post-war quints Al Miller has tutored, got off to a slow start against the invading outfit and fell behind 3 to 0 immediately after the tip-off. However that was the last time they labored under any such deficit as Bill Gross and Don Longer, big front line Blueboys cagers, began to rebound the IC guard's misses and convert them into counters for the Hilltopper gang.

Bill Gross, especially, was working to perfection under the offensive basket, and he sparked the local quintet into a narrow 37 to 33 advantage at the intermission.

Elmhurst Uses Zone Defense

Elmhurst fell back into a tight zone in this first half, which slowed

the game down to a walk. Illinois College attempts to score from far out failed with regularity, and it was mainly through the sterling rebound work of the tall Hilltopper hoopers that the Jacksonville five was able to retain their lead.

The second half was a different story. The Blueboys started popping them in from far out on the floor to aid the forwards in the offensive department. Bob Grove counted five times from the field in this period, but it was still mostly Longer in the scoring department. The lanky forward kept up his fast pace throughout this half to lead the locals with 23 points. Bill Gross wasn't far behind, as he garnered 22 counters during the fray.

No Blueboys Foul Out

Not a single local hoopster was thumbed from the contest for committing too many personals. One Elmhurst player left the game on fouls early in the second half.

This game should have a direct bearing on the selection of Illinois College for the state play-offs which will name an Illinois team to enter the National tournament at Kansas City, Ill. Wesleyan, the league leader, is a cinch to receive the nod, and the Hilltopper five appears to be the logical number two choice from the CCI conference, although they are in a second place tie with Wheaton.

Joe Brook's 'B' team ended their schedule with a victory over the IC intramural All-Stars 51 to 45.

Suggs, Novotny, Lindsay, Picard In 2 Ball Final

Orlando, Fla., Feb. 26.—(P)—Louis Suggs and Gus Novotny joined Marjorie Lindsay and Henry Picard in the finals of the international mixed two-ball golf tournament today.

Miss Suggs, from Lithia Springs Ga., and Novotny of Cincinnati defeated Bettye Mims White of Dallas, Texas, and Denny Champagne, the host pro, 2 and 1.

Miss Lindsay of Lecatur, Ill., and Picard, Cleveland pro, won over Mary Lena Faulk of Thomsville, Ga., and Pete Cooper, Ponte Vedra Beach, Fla., pro, 2 and 1 but in a much closer match.

The 36-hole finals will be played tomorrow.

Neither Miss Suggs nor Novotny displayed the same brand of golf they did in eliminating Mildred "Babe" Zaharias and Walter Roman yesterday. At the end of 17 holes when they closed out the match they were three over par but this was still good enough to win.

The other semi-finals match was a nip and tuck duel with Miss Faulk and Cooper playing par golf but losing the first two holes to birdies. On the 17-yr-old ninth Miss Lindsay missed a hole in one by two feet to put her team three up at the turn.

George King Still Leads College Cage Scorers

New York, Feb. 26.—(P)—For the sixth consecutive week, George King, Morris Harvey's keen eyed forward, is the individual basketball scoring leader among the nation's smaller schools.

Statistics released today by the National Collegiate Athletic Bureau showed King with an average of 27.9 per game for 20 contests. The West Virginia junior has cased 215 field goals and 128 fouls for 558 points.

Completing the top six are: John Wilson, Anderson, Ind., 25.5 for 15 games; Nate DeLong, Evan Falls, Wis., 25.1 for 22 games; Evan Zlock, Susehanna, Pa., 24.3 for 12 games; Harold Huey, Davis and Elkins, W. Va., 23 for 21 games; Mary Johnson, Wheaton, Ill., 22.7 for 23 games.

Other individual leaders:

Free throw percentage: Harold Anderson, Illinois Wesleyan, 50 of 59 for 847.

Field goal percentage: Grady Wilson, Troy State, 29 of 170 for 524. Wheaton's Johnson, with 230 of 471 for 488, is third in this category.

In team free throw percentage, Illinois Wesleyan leads with 331 of 475 for 697.

Vulcan's Forge, 20-1 Shot Wins Santa Anita Race

Arcadia, Calif., Feb. 26.—(P)—Vulcan's Forge oozed to victory today in the \$100,000 Santa Anita handicap.

Vulcan's Forge was the longest priced horse in the field of fifteen starters. Dinner gong was second and Miss Grillo third.

The time was 2:02 4/5 over a muddy track.

The 20-1 shot, owned by J. J. Collins of Lancaster Ohio fended off a determined assault by Miss Grillo and Dinner Gong in the stretch to become the second victor at high odds in a \$100,000 handicap at Santa Anita in as many weeks.

Old Rockport won the derby at 33-1 odds last week.

It was a photo for second place with Dinner Gong, the favorite, 3-1, nipping Miss Grillo.

Major Leagues Start Spring Drill Tuesday In U.S.

New York, Feb. 26.—(P)—Baseball's first all-American spring training season since the last war opens Tuesday with all 16 major league teams pitching camps in the good old U.S.A.

For approximately six weeks or until the season opens April 18, there will be 16 pennant winners in the majors. Optimism always reigns supreme in the Grapefruit League.

Going into camp with several star players still unsigned, the Cleveland Indians, defending world champions, probably rate as favorites to repeat in the American league. Most baseball men expect the Boston Red Sox and New York Yankees to provide the chief opposition with the Philadelphia A's, and Detroit Tigers as outside possibilities.

In the national, there is no clear-cut favorite. Despite their decisive triumph in 1948, the Boston Braves have definite weak spots. The Brooklyn Dodgers, still experimenting with young talent, rank as strong contenders as do the St. Louis Cardinals, always dangerous, and the powerhouse New York Giants.

Says Firemen Go To Blazes Slowly

Chicago —(P)—Almost everyone

including the police, thinks fire

trucks speed wildly on a trip to a

blaze. But that's only an illusion.

John A. Arnold of the National Re-

tailers Mutual Insurance Co. dis-

covered.

Actually, Arnold found from a sur-

vey, city fire trucks seldom go over 35 miles an hour. They don't have to because most fire stations are within a mile and a half of a fire.

But since the engines don't speed excessively, he warned, it is vital that home-owners act the instant a blaze is discovered and know how to summon the fire department quickly.

"Fires often increase 50 times in size within eight minutes," he said.

"There are hundreds of species of 'solitary' wasps which do not live in communities.

Here's That 'Better Mouse Trap'

Providing the mouse in question can't swim, this new trap will dispose of him neatly. Shown in San Gabriel, Calif., the plastic rodent remover is said to catch up to 10 mice without emptying. Mr. Mouse approaches, steps onto a spring platform, gets dropped down the hatch, lands on a perforated aluminum bottom—and then he gets dunked in the water.

POP Goes the QUEEN

By Bob Wade and Bill Miller

THE STORY: John Henry and Sin Conover, vacationing at a swank desert resort, are trying to escape themselves from a baffling circumstances surrounding a murder. Sin is nearly kidnapped by the villainous, two employees of Mr. Barselou, the resort owner, and Johnny is dragged into the mystery. When Johnny and Sin realize they've had enough and want to go home, Johnny finds his car keys have been stolen so they take Fate's car, which has its keys in it. They are pursued by Gayner and Vernon in another car and Johnny goes back to the gambling ranch where he expects to find Police Lieutenant Lay. He finds Mr. Barselou there instead.

B.P.W.C. Plans Program For Local Senior Girls

Senior girls of the Jacksonville on their requirements for young em-high school, Rout College, and the Illinois Schools for the Blind and Deaf will be special guests of the Business and Professional Woman's club at its March meeting, Thursday at 6:15 p.m. in the Dunlap hotel.

Dr. Elizabeth K. Wilson, associate professor of sociology at Purdue University, will speak. Her subject will be "Girls in Other Lands."

Dr. Elizabeth K. Wilson

Dr. Wilson, former director of educational and vocational guidance programs in the Kansas City schools, has taught during summer sessions at Northwestern university, the University of Kansas, and the University of Utah.

In 1941 she began an organized occupational survey of the greater Kansas City area. Business executives in this district were interviewed

on their requirements for young em-high school, Rout College, and the Illinois Schools for the Blind and Deaf will be special guests of the Business and Professional Woman's club at its March meeting, Thursday at 6:15 p.m. in the Dunlap hotel.

Dr. Wilson obtained her A. B. and M. A. degrees from the University of Kansas; her doctor of philosophy degree from Northwestern University. She is a member of Phi Beta Kappa, Pi Lambda Theta and Delta Kappa Gamma. She will be the guest of Miss Elsie Evans while in this city.

The program, arranged by the education committee with Miss Mabel Ruyie as chairman, will also include a musical score. Miss Frances Webb and Miss Ruby Mann compose the supper committee.

New Berlin Youth Buys Brown Swiss Heifer At Urbana

Champaign, Ill., Feb. 26 — (AP) — Eighty-seven calves sold for an average of \$226 today at the first purebred dairy calf sale for 4-H and Future Farmers of America youth.

The sale was held at the livestock pavilion of the University of Illinois. Total sales amounted to \$19,690 for the purebred stock.

Top price was taken by Beau-Dell's Lucille, 8-month-old Brown Swiss heifer, which sold for \$490. It was bought by Orville E. Springfield, 16, of New Berlin, Ill. Breeder of the calf was George Beutel of Mokena in Will county.

Beutel was elected president of the Illinois Purebred Dairy Cattle Association at its first annual meeting yesterday.

Today's sale was sponsored by the purebred association, an organization of all the five major associations in the state. Only 4-H or FFA members were eligible to bid for calves.

They were pledged to carry their purchases in club or FFA dairy projects this year.

Business Woman's Bible Class Plans Banquet March 22

Plans for the 25th anniversary banquet of the Business Woman's Bible class, Central Christian church, were announced by Mrs. Mildred Davidson, chairman, at a recent meeting at the home of Mrs. Hettie DeVore. The banquet will be held at 6:30 p.m. March 22 at the church.

Mrs. DeVore was assisted by Mrs. Mildred Brown and Mrs. Martha Fitzgerald. Following a potluck supper an extended business meeting was conducted by the president, Mrs. Shesburn. Mrs. Virginia Adams presented the treasurer's report.

A white elephant sale, with Mrs. Lucille Holler as auctioneer, followed. Guests were Mrs. Mildred Barber and Margaret Greene. The next regular meeting, April 19, will be at the home of Mrs. Lucille Chandler, 2433 Pine street.

Pace Asks Revision Of Parity Formula On Farm Prices

Washington, Feb. 26 — (AP) — Rep. Pace (D-Ga.), leading a house study of the whole farm program, urged today a revision of the parity formula which might mean a 25 cent boost in the farm price support level.

The Georgian said he wants the cost of farm labor, including the work of the farm family, computed in the parity formula.

Parity is a price calculated to give the farmer a return for his crops in fair relationship to the things he has to buy.

On the basis of January price levels this would mean boosts in parity levels about like this: wheat, from \$2.19 a bushel up to \$2.74; corn \$1.59 a bushel to about \$2; cotton 30.75 cents a pound to 38 cents; burley tobacco 46.2 cents a pound to 57 cents; peanuts 11.9 cents a pound to 14 cents.

The House in the past has approved several bills to make such a parity formula change, but each time the legislation has died in the Senate.

Pace is chairman of the House agriculture subcommittee now reviewing the farm program, with a view to determining whether new legislation shall be written.

2 ALEXANDER CHURCH GROUPS MEET JOINTLY

The Altar and Rosary society and Parish council of the Visitation church at Alexander held their regular monthly meeting recently at the church.

Bingo prizes were won by Mildred Zeller, Dollie Robbins and Helen Berschneider. Mrs. J.J. Proffitt, Sr., Mrs. John Coop, Mrs. Margaret Kaiser and Anna Hohman served refreshments.

Refreshment committee at the March meeting will include Mrs. Fred Hermes, Mrs. Robert Zeller, Mrs. Dollie Robbins and Mrs. Mildred Zellers.

F. F. A.—WINCHESTER CHAPTER

Winchester vocational agriculture students gave a program last week in commemoration of National F.F.A. Week when they were the guests of the Winchester Kiwanis club. Shown in the photograph are H. B. Corrie, the instructor; Eugene Bown, secretary; Eddie Evans, acting president for Jim Coults who was ill with the measles; Albert Hornbeck, vice president; Harold Strope, reporter, and William Fletcher, treasurer.

The chapter also prepared a window at the Farm Bureau office which told of the work done by the members. The group gave an assembly program at Winchester Community high school Tuesday.

Murrayville WSCS Plans Observance Of 'Prayer Day'

Murrayville — "World Day of Prayer" will be observed Thursday by the Woman's Society of Christian Service at their regular monthly meeting in the social rooms of the church.

The meeting will open at 10:30 a.m. with "Thoughts for the Day" by the president, Mrs. S. B. Robinson.

Following a business session, a potluck dinner will be served at noon by the hostesses, Mrs. W. W. Mehioff, Mrs. M. J. Benscoter, Mrs. James Hart, Mrs. Clarence Sunderland and Mrs. John Carvall.

Mrs. V. H. VanHorn will present the afternoon topic, "Values in Labor Questions." Mrs. Ludella Seymour will introduce the missionary article. An offering will be taken.

Royal Neighbors Entertain

The Murrayville Royal Neighbors entertained their husbands and friends at an oyster supper Wednesday evening at the home of Mr. and Mrs. S. B. Robinson.

Bingo was played by the women, with prizes going to Mrs. Mary Evans, Mrs. Ira Story and Mrs. Ludella Seymour. The men played pool.

Methodist 'Family Night'

"Family Night" was observed Thursday evening at the Methodist church with a potluck supper served at 6 o'clock. About 60 were present to enjoy the supper and miscellaneous program, given by the W.S.C.S.

Roodhouse Group Named To Assist Passavant Drive

Campaign headquarters for the new area Passavant Memorial hospital building fund campaign announced Saturday that Mrs. Albert Powers, president of the Roodhouse Woman's club, has accepted the chairmanship of the campaign committee for the Roodhouse community.

Additional members of the committee are Mrs. Edward Akers and Russell Chapman.

Others serving on the Roodhouse committee include William Worcester, Merle Mackey, Ralph Hamm, W. W. Wilkinson, F. E. Battershell, W. D. Ralston, Lloyd Coffman and the Revs. H. L. Janvyn, P. G. Batty and W. W. Williams.

Marksman Shoot Unusual Scores

A number of the members of the Jacksonville Rifle club are making rapid strides toward becoming exceptional rifle shots. Two of the outstanding shooters among this group are Alvin Marshall and Fred Engelbach, Jr., who led the Jacksonville Rifle Club Friday evening with scores of 376 and 374 respectively, which are considered above scores for shooters with two years experience on indoor range shooting.

Fred Engelbach, Jr., particularly, has been outstanding, considering his youth as he normally would shoot under a junior classification, but his scores consistently place him at the head of the shooters of the Jacksonville Rifle club which is primarily made up of senior members.

The other three high men for the evening were Dr. Friedrich Engelbach with a score of 356, Lawrence Crawford, another junior shooter, with a score of 355, and John Marshall with 351.

LIBERTY AID SOCIETY CANCELS MEETING

The Liberty Aid society has canceled its March meeting. The April meeting will be held Wednesday, April 6, at the home of Mrs. John Killam. The program will be in the charge of Mrs. John Wilson. Mrs. Allen McCullough will give devotions. The topic for roll call will be "A New Flower or Vegetable."

FURNITURE FOR SALE

WARDROBE, PORCELAIN TOP KITCHEN TABLE, WALNUT SECRETARY AND GATE LEG TABLE, CHEST OF DRAWERS, CANE SEATED CHAIRS. 905 West St. Street-Upstairs Call between 9 and 5

JHS Takes Four Firsts In IHSA Speech Meet

Jacksonville high school, with four first-place winners and two-second place winners, led the "A" class competition in the Illinois High School Association district speech contest, held Saturday at Petersburg.

First-place winners in the individual events are: Mary Elledge serious, Dickens' "Madman's Story"; George Fox, comedy, Leacock's "My New Pink Suit"; and Mary Helen Potter, extemporaneous verse.

The local school also received a first in the one-act play elimination

Mission Society To Meet Tuesday At Meredosia

Meredosia—The Missionary society of St. John's Lutheran church will meet at the Alvin Unland home at 2 p.m. Tuesday. Plans for the Easter breakfast will be discussed.

The topic will be "Lutheran Missions in the South Pacific" with Mrs. Margaret Scott as leader. Scripture will be given by Mrs. Hy Schroeder. Mrs. Harold Schroeder will conduct a magazine quiz.

Mrs. John Northrup entertained the P.N.G. club at her home here Friday. Bingo was played, with prizes awarded the winners. At the close of the meeting, refreshments were served, with Mrs. Herbert Himmer as the assistant hostess.

Those present were Mrs. T. W. Burdick, Mrs. H. Lefner, Mrs. L. J. Rice, Mrs. Lean Meier, Mrs. D. Lacey, Mrs. J. Walsh, Mrs. Clyde McAllister, Mrs. Gus Becker and Mrs. F. J. Unland.

Elizabeth R. Nelms To Give Recital Friday Evening

Miss Elizabeth R. Nelms, soprano, pupil of Joseph Cleeland, will present her senior voice recital in Music Hall at MacMurray College on Friday evening, March 4, at 8:15.

Miss Nelms, daughter of Mr. and Mrs. Benton C. Nelms, has sung for various church, social, and civic groups in the city, and was a soloist at the recent presentation of "The Messiah."

Miss Nelms will sing selections from the works of Bouncini, Bach, Handel, Schumann, E. W. Korngold, H. Lane Wilson, Anne Wakely Jackson, Hagemann, Victor Young and Winter Wats.

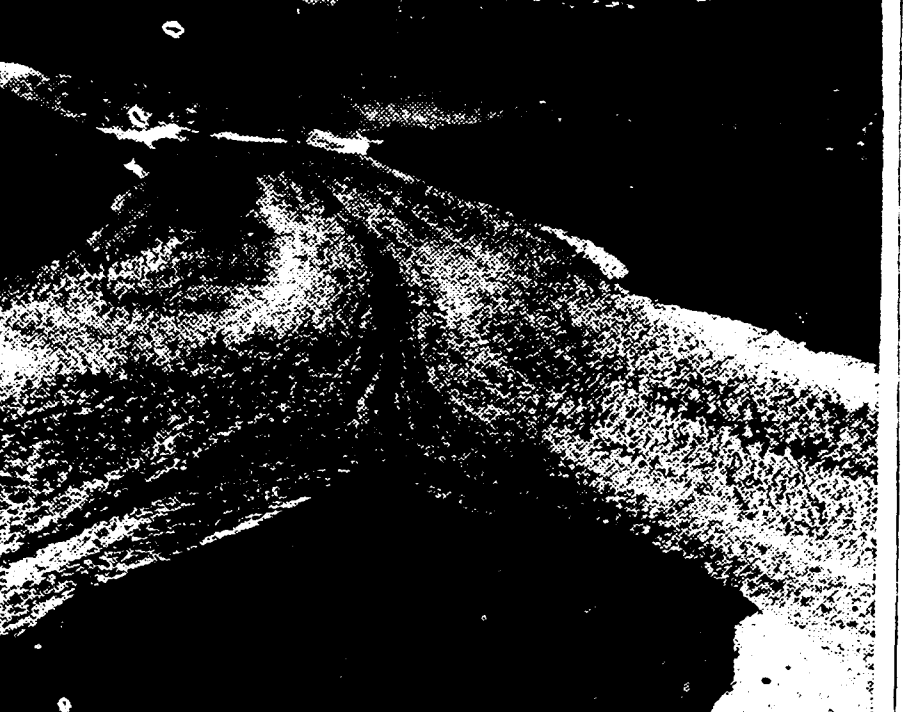

CIRCLE TO MEET

The Edward Gallagher Circle No. 122, Ladies of the G.A.R. will meet Thursday at 2 p.m. at the American Legion Home.

GRACE CHAPEL W.S.C.S.

The Grace Chapel W.S.C.S. will meet Wednesday at 1:30 p.m. at the home of Mrs. Chester Brockhouse.

Stuff Icebergs Are Made Of

Taken from two miles up and 10 miles away, this aerial view shows the stuff icebergs are made of. Coast Guard cameramen, on aerial patrol, found these two glaciers as they joined in Greenland. They move 50 feet a day, steadily advancing toward the fjords, where huge pieces break off to form icebergs that menace shipping lanes.

Duroc Gilts Sold To Hog Breeders Of Seven States

Purchasers from seven states purchased purebred Duroc hogs Saturday at the second Twin Champion bred gilt sale held this season by H. Y. Potter & Son. The gilts will find new homes in Minnesota, Iowa, North Carolina, Missouri, Georgia, Tennessee and Illinois.

This widespread distribution, unusual for a second sale, was exactly half that achieved in the Jan. 29 auction held by the Potters, when Duroc gilts went to purebred breeders and commercial hog raisers in 14 states.

Visitors at Saturday's sale said they especially enjoyed the showing of the two herd boars: Star Blend, the 1947 Indiana grand champion, and Red Velvet, who won the same honors in 1948.

Prices for the gilts ranged from \$135 to \$490. Harold C. Timm of Muscatine, Iowa, paid the latter figure for W. W. Florasue 1st and W. W. Stock Farm of Pittsfield paid a like amount for Star Ann 2nd. A Minnesota breeder paid \$475 for Miss Model Star 4th.

Among the purchasers from this area were Jess Spencer & Sons, Gillespie, W. W. Stock Farm, Pittsfield; George Wilson, Lawrence Hembrough and Oscar Mathews of Jacksonville and Reuel Carpenter of Franklin.

Guy L. Pettit of Bloomfield, Iowa, and Carmen Y. Potter were the auctioneers. Fieldmen were B. A. Evans and Chamer Rinehart of Peoria and Henry Peters of Jacksonville, all of Duroc News. Sherman Vance represented the Hog Breeder magazine.

The ladies of the Lynnville Friendship class served the lunch.

Congress Will Not Pass Trade Bill By March 4-Taft

Washington, Feb. 26 — (AP) — Senator Taft (R-Ohio) predicted today that congress will ignore the March 4 deadline President Truman asked for extending his authority to reduce tariffs under reciprocal trade agreements.

The Senate GOP policy leader told a reporter that Republicans will discuss the entire administration program on trade and tariff policies before the Senate acts on the extension.

"It will not be a filibuster but it's going to be a complete debate," Taft said.

He said the Republicans would go thoroughly into the general agreement on tariffs and trade, signed by the United States and 22 other countries at Geneva, Switzerland in 1947, and the international trade agreement, signed at Havana, Cuba, last March by 58 nations.

Taft also predicted that President Truman will receive from the tariff commission on March 5 a list of several hundred "peril points" involved in a dozen pending trade agreements. These, as defined in the tariff law passed by the last, Republican-controlled congress, are points below which a tariff reduction would cause or threaten "serious injury to domestic industry."

Announce Finding Miracle Cleaning Cloth Of Rayon

Chicago, Feb. 26 — (AP) — A new item to help Mrs. America around the house was introduced today. It's called "miracloth."

Its makers claim miracloth "will pick up dirt, grease and liquids with remarkable ease, and yet quickly rinses completely clean for continued use. It is lint-free, streakless and chamolis-like, the cloth is 'felted' rather than woven.

Miracloth can be used for "any task for which a cloth is required," its producers say.

It is a non-woven cloth made up of tiny rayon fibres, each completely coated with cellulose. The fibres are bonded together by a cellulose binder which millions of tiny microscopic holes between them.

"When rinsed, the dirt simply washes out of the tiny holes in the fabric leaving it completely clean and colorless," the manufacturers said.

SETTLEMENT WORKER TO ADDRESS W.S.C.S.

Grace church W.S.C.S. will meet Wednesday afternoon with a 1 o'clock luncheon at the church. Mrs. Zoe King, superintendent of the Langleyville Settlement house near Taylorville, will be guest speaker.

Music will consist of a trombone solo by David Pierce and a trumpet trio number by high school students. Mrs. Frank Marston will have charge of devotions.

The executive board will meet at 12 noon, with Miss Ameilia DeMott, president, presiding.

Breakfast To Launch Red Cross Campaign

The 1949 American Red Cross fund campaign will officially get underway Tuesday, March 1, with an eight o'clock kick-off breakfast at the Dunlap hotel.

All Red Cross personnel and division chairmen are invited to attend, as well as those wishing to participate in this year's campaign, but who have not yet received any appointment.

Robert E. Spink, campaign chairman, will make a few brief remarks relative to the importance of the drive. The breakfast will conclude not later than 8:55 a.m.

Division chairmen already appointed are John Bellatti, public information; Wallace Hembrough, county chairman; Roy Wheeler, national firms; Frederick Gray, business section; Reginald C. Reid, industrial division; Clarence Kirchhoefer, special gifts; Mrs. Claude Davis, residential district; and Miss Mildred George, schools and institutions.

Sangamon Woman Injured Saturday In Auto Crash

A New Berlin woman sustained a fractured left shoulder and facial cuts Saturday night when two autos collided in front of the Silver Star tavern on U. S. Route 56 east of the city. She was brought to Our Saviour's hospital in Cooney ambulance, but after receiving medical attention was able to leave at 10 p.m.

Mrs. William C. Zachary was injured when a Chevrolet driven by her husband and a 1948 Buick driven by William Beets of Quincy collided on the highway. The men were not hurt.

The front ends of both cars were damaged, but the Zachary auto was able to proceed under its own power. The Buick was towed to the Luke-man garage.

State highway policemen Balke and Batley and Deputies Warzaw and Means of the Morgan county sheriff's office assisted the victims of the crash and maintained orderly traffic.

Says House Labor Group Will Okay 75c Minimum Wage

Washington, Feb. 26 — (AP) — Chairman Lesinski (D-Mich.) said today that his House Labor committee is "sure" to approve a 75-cent minimum wage bill. The administration has been driving hard for this figure all week with the committee vote in doubt.

Several members of the Democratic side of the committee table agreed with Lesinski's prediction. Others said the bill might provide only for a gradual rise to 75 cents an hour from the present 40.

Republicans, and a few Democrats, on the committee were sharpening their pencils hopefully over a scheme for tying the national minimum wage to living costs so it would rise and fall automatically.

The law sets the minimum figure for industries in interstate commerce. The administration has been rallying Capitol Hill strength to hold the line on the Democratic party's platform pledge of a 75-cent minimum wage.

Crowder Services Held Saturday

Funeral services for Edward Crowder were held Saturday afternoon at the Williamson Funeral Home, with the Rev. W. J. Boston officiating.

Mrs. Leo Shay was the soloist. She was accompanied by Mrs. G. O. Webster at the organ.

The flowers were cared for by Betty Wagner, Norma Scott, Clara Flynn, and Kathleen Dickerson. Casketbearers were Lloyd, Charles, Dale Decker, Edward Cashion, Virgil Lee Hayes and Roy Scott.

LOOP STREET LIGHT HIT BY CITY BUS

The street light located in front of the Gebhardt store on the north side of the square was demolished early Saturday evening when it was struck by an incoming city bus. No 90, driven by Lloyd Cason.

The lengthy cast iron support broke in several places, but no bystanders were injured. Officer Runkel of the city police department called Claude Cline of the city light department, who disconnected the electrical wiring.
